

MEMORANDUM FOR RECORD

8/17/2016

On 8/17/16 I received a certified letter from Mr. McIntosh stated that he requested to stop representing me for something I fail to do, which is false.

Matter of fact; I did exactly what Mr. McIntosh wanted me to do on July 20, 2016 and I asked that the "YOU TUBE" account owner to pulled this account messages off the air.

But problem is; the "YOU TUBE" account in question, I have no control over. I do not have ownership of this account, nor do I know how to setup such a "YOU TUBE" account.

The fact is; the owner of this account told me, it is his **FREEDOM OF SPEECH** to let the public know when injustice has occurred by the Government.

Since I have no legal right to denial one's rights of "FREEDOM OF SPEECH" all I can do is request that this be pulled from the air, which I have done.

AGAIN I DO NOT HAVE ANY CONTROL OF THIS ACCOUNT IN QUESTION.
